Authorized cooperation partner for
aftermarket bilgewater deoiling

As of January 1, 2022, FILCOM GmbH will be our cooperation partner for aftermarket bilgewater deoiling as part of the realignment of Filtration Group GmbH Hamburg.

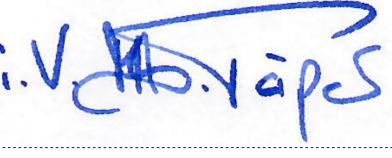

FILCOM GmbH takes over the spare parts business for bilgewater deoiling. As a long-standing premium partner of Filtration Group Industrial, we are pleased to have found in FILCOM GmbH a specialist for the distribution of high-performance original spare parts for FG bilgewater deoilers.

Thank you for your trust.
